

Date: 9<sup>th</sup> June 2017

Dear Parents, Carers and Students

We are writing to you for the final time with some additional information regarding the end of year 11.

Firstly, can we say that the way the year 11 students have conducted themselves throughout lessons, revision sessions and exams has been exemplary – they are a truly amazing year group. We want to also thank all parents and carers for their support in getting students to exams and enduring the exam season.

### **End of Year Celebrations**

All invitations have now been sent to students and we have been pleased that students understood that they needed to “earn their invite” for the Prom and Drayton Manor. If you wish your son or daughter to attend either or both these events can I urge you to send payment and consent forms to the Finance Office as soon as possible, as we need to plan for final numbers in the next few weeks. Students who have handed in their “Passports to Success” will trigger a refund or vouchers so please look out for this on your bank statements.

### **Final Assembly**

We intend to hold a final assembly and celebration on Thursday 29<sup>th</sup> June at 9.00 am. Students should arrive at 9.00 am wearing school uniform. We know that students will not let us down by exhibiting any behaviours that go above high spirits, but parents need to be aware that any student causing difficulty will have their end of term celebration tickets (without a refund as the place will have been paid for) cancelled. Their sixth form place or their good reference to future colleges or apprenticeships could also be at risk.

Also, students may wish to sign each others’ shirts on this occasion too, but please note that students will not have access to the main building on this day.

### **Evaluation**

We sent all parents an evaluation form in the last letter, we enclose another copy and would be extremely grateful to receive this back with your comments. We will also be carrying out an evaluation with the students in the coming days.

### **Understanding Exam Results on GCSE results day**

As your children are the first to take English and Maths under the new 1-9 Grading system we appreciate that nationally there is some confusion around what is considered a “standard pass” (Grade 4) or a “good pass” (grade 5). For more information use the link below.

Both myself, Mr Park and the sixth form team will be available on results day to advise students and parents on the next steps to ensure that they have a progression route post 16.

**Product Design students only**

The final exam for Product Design is Monday 26<sup>th</sup> June at 9.00 am. Product Design students do not need to attend the week beginning 19<sup>th</sup> June. It is essential however that they attend 2 additional revision sessions:-

Friday 16<sup>th</sup> June at 11.00 am in E1

Friday 23<sup>rd</sup> June at 9.00 am in E1

**GCSE Results Day**

A reminder that students can collect their GCSE results at 9.30 am on Thursday 24<sup>th</sup> August 2017.

If you are away on this date, you can leave a stamped addressed envelope at the office or you can give written permission for another family member to collect (they will need to bring proof of identity).

Finally, we very much look forward to congratulating your son or daughter on 24<sup>th</sup> August when they receive their results. In the meantime, if you have any queries regarding any aspect of year 11 please do not hesitate to get in touch.

Yours sincerely
